- ✓ Hughenden Valley Community Shop freezer
- ✓ North Dean Village Hall refurbishment
- ✓ Naphill Dilly Knox memorial
- ✓ Lollipop crossing at Hughenden School

The Dilly Knox memorial in Naphill.

We will shortly be allocating this year's Ward Budgets (2013/2014) if you know of any worthwhile projects in your village please get **in touch**.

PLANNING CONCERNS

There is a mixed bag of results regarding recent planning applications, we recognise and sympathise with issues raised by residents and do our best to support you by listening to your concerns and liaising regularly with planning and enforcement officers. We have 'called in' several applications so that they may be determined by the planning committee.

Traveller Sites

Traveller Sites continue to be a thorny issue. Planning permission for the site in Walters Ash was refused as it was deemed that the 'special circumstances' did not outweigh the protection of this piece of previously undeveloped GB, AONB land. Planning permission for a third caravan at the site in Great Kingshill which is also GB AONB land was a harder decision as permission for two caravans was granted in the 1970's and there was no other site within the district available for the travellers. A three year temporary permission was granted for the third caravan on condition that native hedging was planted to screen all three caravans from sight. Permission was unanimously refused for the new access road which cut across the land. It is hoped that within the next three years WDC will have designated sites for travellers.

We support local feeling regarding the retention of the much appreciated and well used garage workshop at the Murco garage in Walters Ash and successfully fought the first planning application to replace it with a car wash. Unfortunately, the second application addressed all the planning policy reasons for refusal of the first. Even though planning permission has been granted we fully support the residents in negotiating with Murco for a change of heart.

CHANGES TO COUNTY BOUNDARIES

Due to the Boundary Commission Bucks County Council Divisions will be changing taking effect on 2nd May 2013. Greater Hughenden will form part of the new division named Ridgeway East as well as the parishes of Great & Little Hampden, Ellesborough and Great and Little Kimble.

Cllr Richard Pushman

After 49 years serving our community as a local councillor at Parish, District and County levels Richard has decided to retire. He has been a tower of strength and will be sorely missed. We wish Richard well in his retirement and salute his magnificent achievements.

Cllr Richard Pushman with Cllr David Carroll

HIGH SPEED 2

We continue to oppose HS2, it is environmentally damaging, the business case is flawed and we believe the money would be better spent improving the existing rail network. As members of the 51M Alliance we will fight on.

CHANGES TO WYCOMBE'S WASTE

A positive change which all residents will notice within the next few weeks is the introduction of a new contract for waste services, jointly negotiated with Chiltern District Council. This collaboration will begin implementation from March 2013 and is an excellent example of the way in which Wycombe District Council (WDC) is reducing costs and also providing a better service.

The projected savings are in excess of £1million per annum, with some of the benefit including:

- ✓ Collection of a much greater range of recyclable materials including glass
- ✓ A weekly food collection
- ✓ Higher levels of recycling and a reduction in waste going to landfill.

COUNCIL TAX FREEZE

Bucks County Council and Wycombe District Council have announced for the third year running they will not raise Council Tax . Keeping money in people's pockets during these tough economic times is an essential part of ensuring the continued prosperity of Buckinghamshire.
