HAPPY NEW YEAR FROM WENDOVER & HALTON CONSERVATIVES

HS2 CONSULTATIONS: RESPOND BEFORE THE DEADLINE

The consultation relating to compensation for those affected by HS2 is now underway. It is important that as many people as possible respond to ensure the Department for Transport is aware of the views of those affected. You are able to respond to the consultation online, via email or by post and all the details you need are below.

Online : <https://hs2propertyconsultation.dialoguebydesign.net>

A presentation by the HS2 Action Alliance on the compensation proposals is available on local MP David Lidington's website www.davidlidington.com. **The consultation closes on the 31st of January 2013.**

STOP PRESS

Knowing that the judicial review was imminent Cllr Steve Bowles arranged a private meeting with the Secretary of State for Transport Patrick McLoughlin and his special advisor to discuss with him the concerns residents of Wendover & beyond have with HS2. Steve made the Secretary of State fully aware of the strength of feeling and the reasons why the project is not economically viable.

New Year, New Conservative Team

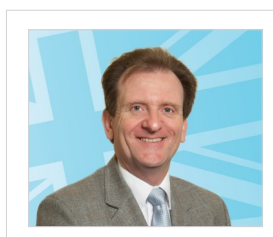

Wendover & Halton Conservatives are disappointed that Chris Richards has decided to become an Independent Councillor. Having been elected as a Conservative Party Candidate he no longer has a mandate from the residents of Wendover and Halton but is not standing down as a Councillor which give you the right to decide whether he now represents your views. As a Conservative controlled authority he will no longer be part of the ruling Party who set out the policies and plans for the coming four years, instead he will be a lone voice.
