HS2 UPDATE

■ The HS2 Bill & Environmental Statement have been deposited with Parliament

Your local Conservatives remain committed to fighting HS2 and continue to lobby at the highest level to stop this project. We are able to meet with ministers and undertake lobbying on your behalf as we have direct access to MPs, ministers and key decision makers something that other local parties do not.

Local Conservatives are also working hard to ensure that if the scheme goes ahead those affected receive full compensation. Local MP David Lidington's response can be seen on his website www.davidlidington.com or please contact David for a copy.

The Hybrid Bill was deposited with Parliament on 25th November along with associated material including the Environmental Statement. A consultation on the Environmental Statement has been announced with the closing date 24th January 2014.

WENDOVER & HALTON CONSERVATIVES HAVE AND WILL CONTINUE TO FIGHT HS2. THIS ECONOMIC WHITE ELEPHANT WILL BE A BLIGHT ON OUR VILLAGES.

■ There is a new leader at AVDC, Neil Blake and he has appointed Wendover's own Steve Bowles to the cabinet.

FOR HARDWORKING FAMILIES

It has been over three years since the Conservatives returned to Government after 13 years in opposition and in this time there are a lot of achievements we have accomplished.

- ✓ The deficit has been **reduced by a third**. When we came into office the financial mess left by Labour meant we were spending **£120 million every day** on debt interest payments alone.
- ✓ The number of people coming to the UK has fallen by **over 80,000** in the last year meaning net **immigration has fallen by a third**. It is this Conservative led Government that has cut out the abuse of the system and introduced a cap on workers from outside the EU.
- ✓ The benefits cap sends a powerful message that in this country it always pays to be in work and ensures that no household receives more in benefits than the average family.

THE GOVERNMENT IS MAKING PROGRESS BUT WE ARE NOT COMPLACENT THERE IS A LOT MORE TO DO TO ENSURE THE RECOVERY CONTINUES.

- ✓ The increase in the personal allowance (with a further increase to come) has given **24 million** hard-working people an income tax cut and lifted **6 million** out of tax so far.
- ✓ The Conservatives are the only party with a chance of forming the next Government who are prepared to offer the British people a choice on whether to remain in the EU, David was a key player in getting this Bill through the House of Commons recently.
- ✓ Unlike the Labour Party the Conservatives are committed to ensuring that the **NHS** continues to receive **increases in its funding year on year**. In every year of this Government the NHS budget has risen above inflation. We are the party of the NHS. Your MP David Lidington is always happy to raise any concerns you may have about local NHS services with either local healthcare managers or the Department for Health.

LOCAL AYLESBURY MP DAVID LIDINGTON IS WORKING WITH THE GOVERNMENT TO ENSURE THAT IT IS ALWAYS PAYS TO BE IN WORK.

ACTION AROUND OUR AREA

STEVE & PETER ARE WORKING FOR A SOLUTION TO PARKING IN THE VILLAGE

■ Steve & Peter are working with the Parish Council to address the need for additional parking for visitors and workers to the village and help boost our vibrant local economy.

■ The Hampden Field planning appeal is coming close to a conclusion after the Hampden Fields developers appealed AVDC's decision to refuse planning permission for 3,000 to be dumped between Bedgrove and Weston Turville. Your local Conservatives have been fighting this

■ Until the St Mary housing development's roads are adopted by Buckinghamshire County Council they are the responsibility of the developers. Steve & Peter are in contact with the developers with your concerns. If you have any problems contact Steve or Peter.
